

DIRECTIONS

IF YOU ARE BEING DROPPED OFF BY A SHUTTLE OR CAR SERVICE

Go to the **Resort Plaza Condominiums Check-in Office at 1325 Lowell Ave which is in the Marsac Mill Manor building**. It is no longer used as a Check-In Office; however, you can obtain a luggage cart there if you need one. The entry code is the same as the one for our building.

Please note that some map Apps may end in front of The Lowell Condominiums on Lowell Ave (this is where our parking garage is located) but the Marsac Mill Manor is actually located *behind* The Lowell building so the driver should continue past The Lowell Condominiums garage, then go through the stop sign, then make an immediate right turn off of Lowell Avenue onto the drive that leads to the Marriott Mountainside.

There is a small parking lot for Resort Plaza on the right side before you reach the Marriott circle. The driver should pull in front of the greenish-gray Marsac building. Our building (Silver Mill House) is walking distance one building over from the Marsac. There is no parking directly in front of our building. See the dotted lines on the Resort Base Map for walking directions to the elevator side of our building. Take this map with you to navigate the Plaza. You will be heading to the white pillared side of the building and looking for the first entrance past Baja Cantina which says 'Silver Mill House EAST'. Our condo is on the 2nd floor - #5022-23.

If you will be picked up by a driver for your return to the airport, tell the driver you need to be met at the Resort Plaza Condominiums Check-In Office at 1325 Lowell Ave. You may want to put in the instructions to pull up the drive to the Marriott so they do not stop in front of The Lowell. You can wait inside the sliding glass doors of the check-in office where it is warm. The building code for the sliding doors is the same as for our building.

IF YOU ARE BRINGING A CAR AND PLAN TO PARK IN THE PARKING GARAGE

From Lowell Ave., turn right into **The Lowell Condominiums parking garage which is at 1335 Lowell Ave**. You will need the keycode which will be sent to you by a few days prior to your arrival. There are luggage carts in the garage. Park **ONLY** in a space with a **green sign** that says for Resort Plaza. When you come up the elevator from the garage, exit the elevator to the left, exit the sliding glass doors and walk around Baja Cantina (do not go up the steps) to the first entrance to Silver Mill House which is Silver Mill House East. This is the side of the building with white pillars and has an elevator up to the 2nd floor. Our condo is #5022-23. A garage pass will be left on the kitchen counter. Please fill it out and return to the garage to place it on the rear-view mirror.
